You're Invited!

Our first Focus Group is happening on 20th May!

This first meeting is a chance to meet Rachael Hughes, the new BID Manager if you haven't already and hear about the new initiatives she is bringing to Your Horsham.

Representatives from Gatwick Diamond Business will be in attendance as will our ambassadors. Come and get their new duty phone number.

It's also your chance to share your feedback and perspective with us in a relaxed, informal session. Coffee's on us!

Location: Costa Coffee West Street

Time: 9:30am - 11am (join us anytime)

RSVP to: laura@yourhorsham.com and to sign up for future invites.

Mental Health First Aid Training Course - Book your spot now!

Date: 11 May 2026

Time: 9:30am - 04:30pm

Location: Wakefields Jewellers (upstairs offices)

Sign up to secure your space on our next session today!

The course, upon completion, provides a 3-year certificate to the attendee and allows your team members to feel confident in supporting and undertaking those difficult conversations that can occur at work.

This level 2 course goes beyond the difference between mental health and mental ill health, and teaches practical implementation of action plans for healthy workplaces and the legislation in place from mental health UK.

HELP SUPPORT TOWN CENTRE SAFETY

If your business has private CCTV, you can help local police respond more quickly to incidents in Horsham town centre.

Sussex Police maintain the NiCE (National CCTV Database), which allows businesses to record their CCTV coverage.

Being on this register means police can quickly identify camera locations and contact you directly if footage may assist an investigation.

Please register via the QR code below, confirming whether your CCTV coverage is active.

Registering helps reduce the need for officers to go door to door after an incident, making investigations faster and more efficient.

Participation is voluntary, but it plays an important role in supporting safety across the town centre.

This short survey asks whether you have private CCTV, whether you're willing to join the NiCE database, and whether your coverage includes internal areas, external areas, or both.

Register your CCTV Status to Support Town Centre Safety
